

WELCOME TO THE CALEDON SKI CLUB

For groups attending a function at Caledon for the first time we hope that this document will help you navigate your way around the club and to get the most out of your visit.

Make sure you know which of our two lodges your group will be based out of. The options are **The Main Lodge** or **The West Lodge**.

If your group is meeting at the West Lodge it is located at 17431 Mississauga Road and is the lodge you can see from the road.

Lift Ticket: Meet your group leader in the lodge or proceed to the lift ticket window to the left inside the entrance way.

Food Services: The cafeteria is located on the second floor and depending on the group program your designated area may have all food delivered.

Rental Equipment: The Caledon Pro Shop is the building to the right of the West Lodge.

Lessons: Your group leader or Caledon Representative will have information for you on timing and location.

Change Areas: Located in the lower level with storage cubby holes. Keep in mind your group may also have a reserved area for lunch.

Your own food and drink: If you have something that needs to be chilled there is a convenient set of cubbyholes located between the West Lodge (on the side of the building) and the Pro Shop building.

If your group is meeting at the Main Lodge Please proceed to 17585 Mississauga Road. Once you have entered the main gates go straight ahead and follow signs to the lower parking lot.

Please note that if you require rental equipment you should stop in at the Pro Shop located adjacent to the West Lodge (see above).

Equipment Drop Off: Drop off is permitted at the end of the parking lot closest to the lodge but please remove your vehicle in a timely fashion in order for other people to unload their vehicles and to keep emergency routes clear.

The Main Lodge: From the parking area it is the second building on the left. Inside the main doors to the left are the ticket counter and the Snow School desk. To the right is the change area and cubbyhole storage.

Food Services: The cafeteria is located on the second floor and depending on the group program your designated area may have all food delivered.

Your own food and drink: If you have anything that needs to be chilled there is a convenient set of cubbyholes located outside behind the main entrance way.

Lessons: Your group leader or Caledon Representative will have information for you on timing and location.

We also have great activities for the non-skier/boarder

Snowshoeing / Hiking: Caledon has an extensive trail system that is great for hiking or snowshoeing. Rentals are available in the **Pro Shop** but we recommend pre booking if possible.

Skating Rink: Caledon has a fantastic skating rink for you to take advantage of if the weather cooperates and the ice surface is good to go. It is located at the **West Lodge** area.

Team Building: We offer a few options such as the low ropes course which is located at the West Lodge. The mini Olympics are located there as well. The Amazing Race is located throughout the club and will start and finish from the lodge you are based out of.

We look forward to your visit and know that you will have a fantastic day at the Caledon Ski Club!
